

Abstract submission guidelines and conditions

The 13th EUSE Conference on Supported Employment – “Transitions” is proud to organize this event in Amsterdam, the Netherlands, from 27-29 May 2019. In 1993, the first Conference of the EUSE was held at the World Trade Centre, in the City of Rotterdam, and we are proud that, after 25 years, the 13th Conference is organized in the Netherlands once again!

The conference is being hosted by the Dutch Organisation of Supported Employment (NVS Support) and in cooperation with SUEM, the Belgian organisation for Supported Employment. The organisers have also used many networks within the Netherlands, the European Union and also the World Association (WASE) for Supported Employment.

The 13th Conference is an excellent opportunity to empower the transitions for inclusion and become inspired and invigorated by employment experts and to network with colleagues and peers from around Europe and the world.

We would like to invite all engaged in the employment arena from NGOs, policy makers, government agencies, recipients of employment services, academics and researchers to share their knowledge, skills and expertise on a range of themes intended to promote the model and best practice in Supported Employment.

Abstracts will be accepted for the following session to be held at the conference:
